

FEATURES

BENEFITS

EZ TRAP PRIMARY \$

- Transparent trap allows visual inspection. Watertight lower cap opens for easy access. Includes flexible cleaning brush.
- Built-in safety switch to prevent attic flooding due to clogged traps.

SURGE PROTECTOR

\$\$

- Designed to dissipate the damaging effects of momentary voltage spikes or other transient power surges.
- Specially made for HVAC systems.
- Helps protect your equipment.
- Includes limited lifetime warranty against manufacturing defects and a \$1,000 per occurrence.

- An overflow shut-off switch designed to shut off your HVAC system if water fills the emergency drain pan.

SECONDARY OVERFLOW SWITCH \$

BYPASS HUMIDIFIER

\$\$

- Full coverage up to 2,500 square feet in average constructed homes with a capacity of 17 gallons per day
- Includes an outdoor sensor that automatically adjusts humidity levels.
- A whole-house solution that helps you achieve total comfort through humidity control.

- Take better care of your floors, cabinets, and instruments all while improving the indoor air quality and comfort inside your home.
- Full coverage up to 6,200 square feet.
- No white film or dust is left behind.
- Continually monitors and responds to outdoor temperatures and indoor relative humidity.
- Convenient digital control.

STEAM HUMIDIFIER \$\$\$

GEL TABS DRAIN PAN TREATMENT

\$

- Gel Tabs are formulated with a gel-locking technology for treating air conditioning drain pans and lines. When activated by condensation, the tablet turns to gel and locks into place. Tablets are designed to completely dissolve over a three-month period.
- Easy to use.
- Keeps the drain pan from clogging and eliminates foul and musty odors.
- Nothing to remove when the product is done working.

- Kills viruses, bacteria, and micro bacterial growth while removing foul odors in your home.

- No maintenance.
- Self-cleaning.
- Flexible design with no replacement parts.
- iWave-R always works at peak performance, producing over 320 million total ions/cc, more than any other ionizer product on the market.

iWAVE INDOOR AIR PURIFIER \$\$

HARD START KIT \$\$

- A Hard Start Kit can extend the life of your compressor by reducing the amount of time it takes for your compressor to start.
- Helps to protect your air conditioner from costly repairs.

LOCKING CAPS \$

- Prevent refrigerant leaks.
- Safeguard your AC system from tampering or the inhalation of dangerous refrigerants.

APRILAIRE 2000 WHOLE-HOUSE AIR CLEANER \$\$

- The Aprilaire 2000 Series are whole-house air cleaners for any forced-air heating and cooling system. Their exclusive media filtering process removes airborne particles while generating no toxic ozone. These systems require no service and are not affected by temperature variations or relative humidity. The only required maintenance is a yearly replacement of the filter media under typical load and flow conditions.
- Improved indoor air quality and comfort.
- No wires need to be run.
- Simple and flexible installation.

- The new Honeywell T6 thermostats features user-selectable programming, and non-programmable.
- Includes a large display with push button functions; optional wired indoor and outdoor sensors, air filter and humidifier pad reminders, as well as displayed error codes.

HONEYWELL T6 PRO THERMOSTAT \$\$

- Automatically adjust your temperature settings based on your location.
- Integrate with smart home Apple HomeKit and Amazon Echo.
- ENERGY STAR® certified.

HONEYWELL 8000 THERMOSTAT \$\$

- Easily set a schedule for each day of the week and adjust it using the Total Connect Comfort app.
- When connected to the app, you can control the system remotely and receive alerts for maintenance or extreme temperatures.
- Large touchscreen display is easy to read and shows the status of all controlled equipment.
- Presents your dealer information if you need to reach out for service or questions.

HONEYWELL 9000 THERMOSTAT \$\$\$

- Color touchscreen thermostat that is Wi-Fi enabled, giving you control over your home's comfort from wherever you are with the Total Connect Comfort App.
- Monitor and adjust heating & cooling usage and indoor humidity levels.
- Receive email alerts to related safety, comfort and energy.

APRILAIRE DEHUMIDIFIER \$\$\$\$

- This Dehumidifier is ideal for dehumidifying your whole home— removing up to 16 gallons of water per day. For your convenience, it can be ducted to your HVAC system, and the control panel mounted for easy access to any top or side location of the unit.
- Built to last with corrosion-resistant aluminum coils in the U.S.A.
- No messy water tray to empty and simple to set up.
